THE BOTTOMLINE: GUARDS MAY NOT BE THE MOST EFFECTIVE SOLUTION – SO WHAT IS?

REMOTE VIDEO MONITORING proactively keeps properties in the Residential, Commercial and Industrial spaces safe from crime and offer all the fundamental advantages of guards and more incl.:

The Security Industry is big business, many companies hire guards to protect their Property, Employees, Tenants and valuable Assets. The guards have various limitations which often result in costly liabilities. Remote Video Surveillance offers many advantages over security guards, among them are proactive response, extensive site coverage, quicker response times, round-the-clock protection and perhaps, most importantly, cost savings. Monitored security cameras offer a better, more thorough and reliable level of protection than human guards at a fraction of the cost. Time and again, Remote Video Surveillance has proven to be a successful crime deterrent and is a key advantage in securing your property.
